SUBJECT

Proposal to promote Mr. L. Subramanaya Rao Subordinate as Overseer

P.W. 4019-20 30.11.45

To

The Chief Engineer for Irrigation
The Comptroller & Auditor General

Sanction is ——

File No.

Continuation Sheet. Current No. of Page

Letter No 2272/E. dated the 16th October 1945 from the Chief Engineer for Irrigation.

Forwards the representation of Mr. L. Suryanarayana Rao, Sub Overseer, for being promoted as Overseer.

Mr. L Suryanarayana Rao was appointed as Sub Overseer on Rs 35/- in grade Rs 35-2½-80, in September 1937. He is a B.E. Certificate holder. He requests that he may be promoted as Overseer just as the other Certificate holders viz Mr. V.M. Krishnaswami Iyer, T. Jayasimha Rao and M.N. Devaraj urs who were promoted as Overseers in February 1943.

2) Submitted with reference to the Minute dated 25.7.1945 of the Minister for P.W. (Flag V).

B
29.10.45. 3) Mr. L. Suryanarayana Rao is a Certificate holder of the Engineering College, Bangalore. Persons who get a total marks between 40 & 50% get a certificate while those getting more than 50% only get the degree. Certificate holders from our College are the following

1) Mr. V. M. Krishnaswami Iyer — 1929
2) Mr. T. Jayasimha Rao — year 1932
3) Mr. Devaraj urs. — 1932
4) Mr. L. Suryanarayana Rao. — 1932

4) The first three were given overseer place as they reached the maximum Rs 80/- only on age of their Starting Salary of Rs 60/- The fourth viz Mr.

Mr. L. Suryanarayana Rao, Sub-Overseer.

File No. 1696

Continuation Sheet. Current No. of Page

Mr. L. Suryanarayana Rao was not recommended as he had not reached the maximum and as he joined late. It may be mentioned here that Mr. Suryanarayana Rao got his certificate along with ② & ③ in 1932 only & first joined service in 1937 on account of various reasons.

5) Mr. Suryanarayana Rao first joined Service in 1927 and unfortunately ~~took leave~~ leave left it in 1929 to take the degree which he could not get. If he had continued in service he would have become an overseer in the usual course.

6) Under these circumstances it is, just right to give him the chance of an overseer now at least in one of the Vacancies. After all he is going stop with overseer's grade as he is classed under non-graduates under the present G.O. Hence his case may be sympathetically Considered and given overseer's place.

7) Even though the Chief Engineer is empowered to give this post under the present rule, he has submitted this for orders of Govt, as he was once refused to be given the place.

Secy) 8/11

8) Why were his previous representations turned down and would his promotion mean supercession for some.? Pl. put up rules. K/ 10/11

Mr. L. Suryanarayana Rao Sub Overseer

Serial No.

9) Mr. Suryanarayanarao's S.O.+ a certificate holder from the Engg. College has resubmitted his case ~~what~~ again with Mr. the C.E.I. for re consideration of Govt. There is nothing fresh brought up now and the whole case has been reviewed and orders passed very recently, as per minutes flagged V

14 NOV. 1945
No. A3616.

The C.E.I. since discussed this matter with me and told me that Mr. L. Suryanarayana Rao's case is a hard one. It is no doubt a hard case. If he had continued in service he would have become an overseer in the usual course. He got a certificate in 1932 along with others but could not join service till 1939 for various reasons. It is said he is the only certificate holder who is stagnating as a Sub-overseer, while all others have been

Govt 47-45-2

P. W. SECRETARIAT.
1696
Dated 20:10:45

Office of the Chief Engineer for Irrigation,
Bangalore, the 16th October 45.

No. 2272/E

To

The Secretary to Government,
Public Works Department,
Bangalore.

MR.L.SURYA NARAYANA RAO, SUBOVERSEER.

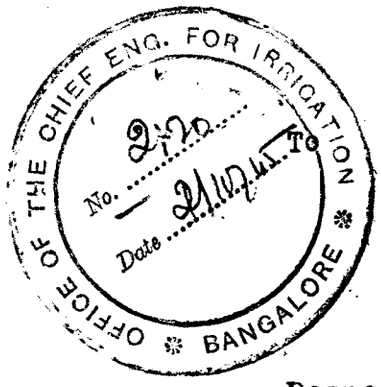
Sir,

With reference to your letter No.P.W.985/Est. 47-45-1 dated 15-8-1945, I have the honour to forward herewith for orders of Government, memorial of the above Suboverseer, addressed to the Minister for Public Works praying for promotion as Overseer for the reasons explained therein.

I have the honour tobe,
Sir,
Your most obedient servant,

Chief Engineer for Irrigation.

CCS/15th.



The Minister of Public Works Department,

Bangalore.

Respected Sir,

I, the undersigned beg to bring the following few lines for your kind perusal and favourable orders.-

I joined P.W.D service as Sub-over-seer in 11-11-27 after completing two year's course in the College of Engineering, Bangalore. While in service, I appeared in private for the Intermediate Examination in Engineering held in March 1929 and passed the same. As that was the last chance for the candidates to study for the B.E. Degree Examination under the old Rules, I rejoined the College of Engineering, Bangalore in July 1929, to complete the B.E. Degree course, after being granted nine month's leave without allowances. This period of leave being not sufficient to finish my course, I applied for the continuation of my leave for a period of 21 months under extra-ordinary rules, for which I got no reply.

I have obtained a certificate in the B.E., Degree Examination held in March 1932, and was re-instated in September 1937, though I was applying for the post ever since I took the B.E., Certificate.

In this connection, I beg to submit, that according to the old rules, candidates getting 50% and above were given B.E., Degree, and between 40% to 50% were given B.E., certificates, and below 40% were considered as failures. B.E. Certificate holders are permitted to bogue themselves as Certified Engineers, like any B.E., Degree Holder in as much as they have received same trainingand sat for the same University Examination, and I may furtner state that in the light of Bombay University consideration, the certificate is equal

P.T.O

is equal to that of a third class B.E.

Permit me to state that M/S. Jayashima Rao, and Devaraj Urs, are B.E. Certificate candidates belonging to the same batch as myself (1932), and they were started on Rs60/- plus Rs15/- earlier than me, though I was senior to them in service.

I was re-instated on Rs35/- in september 1937, and on my representation, that I was a certificate B.E.,holder Government was pleased to sanction me a pay of Rs45/-from 2nd June 1938, as per order No.3458-60-S.Dated 11- 6- 1938, as the B.E. Surveyor's pay was reduced from Rs80/- to Rs50/-.

M/S. Jayashima Rao, Devaraj Urs and V. M. Krishnaswamy Iyer, B.E.,Certificate holders were promoted as overseers in Govt. Order P.W. No.5742-43 dated 13- 2- 43 (Copy enclosed for kind perusal), and my case was not considered along with them, though I was the only certificate holder left behind.

Thus my case has been over-looked from the very beginning, causing me to loose so much of service and seniority, & also getting less initial pay.

I am working to the satisfaction of my suprior officers, and my case has been strongly recommended by the successive Chief Engineers. I further humbly pray that my case may be considered favourably and the same treatment given to me, as in the case of M/s. Jayashima Rao and Devraj Urs, and be promoted as an Over-seer, as I am the only B.E.,Certificate Holder,who remains without being promoted, for which act of kindness, I will be ever grateful to you.

I beg to remain,
Sir
Your Most Obedient Servant,

L. Suryanarayana Rao
D. P. W. Surveyor (on leave)
Nagamangala

Dated 10th Sept-45.)

PROCEEDINGS OFTHE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.
